CVYL Complex Amenities

Restrooms

Single use permanent men's and women's restrooms.

First Aid

First Aid kits are in the press box, concession stand, and team bags.

AED is in the main field press box and is equipped with pediatric and adult pads.

Phone Service

No landline phone service at the complex.

Cell phone service available.

Concession Stand

We offer five varieties of fried food products, three nonfried foods, six Pepsi product sodas, six Gatorade products, water, 2 Galliker's Iced Tea products, eight ice cream products, and 34 varieties of candy.

Press Box

We offer a professional grade permanent stadium public address system.

Our new state-of-the-art scoreboard was installed April 2019 replacing one from 1995. It features balls, strikes, outs, innings, home and away scores.

Playing Field

CVYL Field is completely fenced in with 4' 11" chain link fence and has two active gates for teams.

There is a six-foot chain-link fence in front of both dugouts. A safety fence cap is in place on the top of the fence.

Playing Surface

CVYL Field has a natural grass infield with professional infield mix and Pros Choice field Conditioner for the top dressing. We have a natural sloped dirt pitcher's mound area. There is currently no warning track.

Approved non-caustic limestone dust is used to mark infield foul lines and batter's box.

Spray paint is used to mark the outfield foul lines.

The batters eye consists of non-white advertising signs.

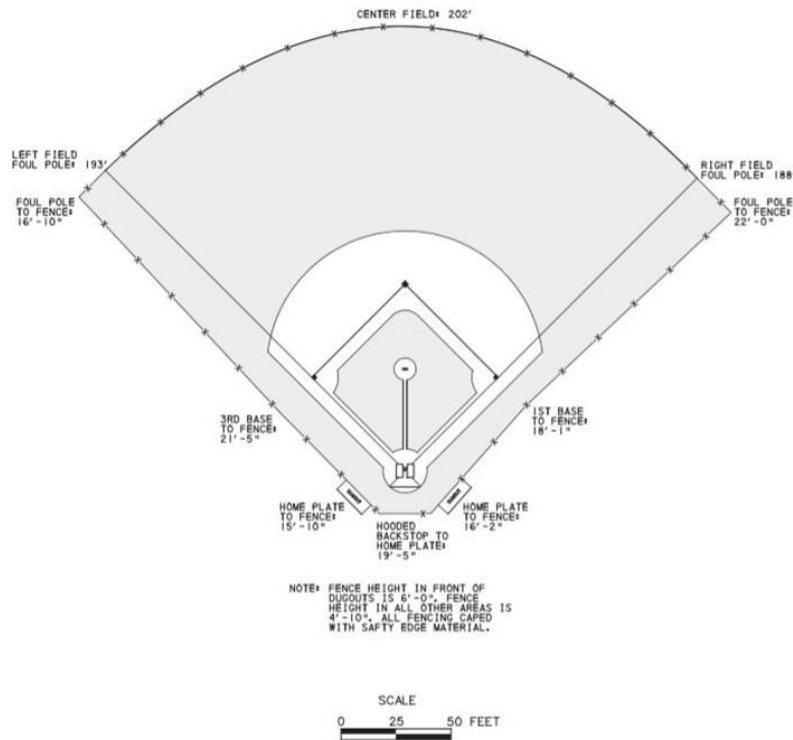

We have two yellow basket style foul poles.

The field has a hooded backstop.

A Protective fence crown cap is in place on top of the field fence.

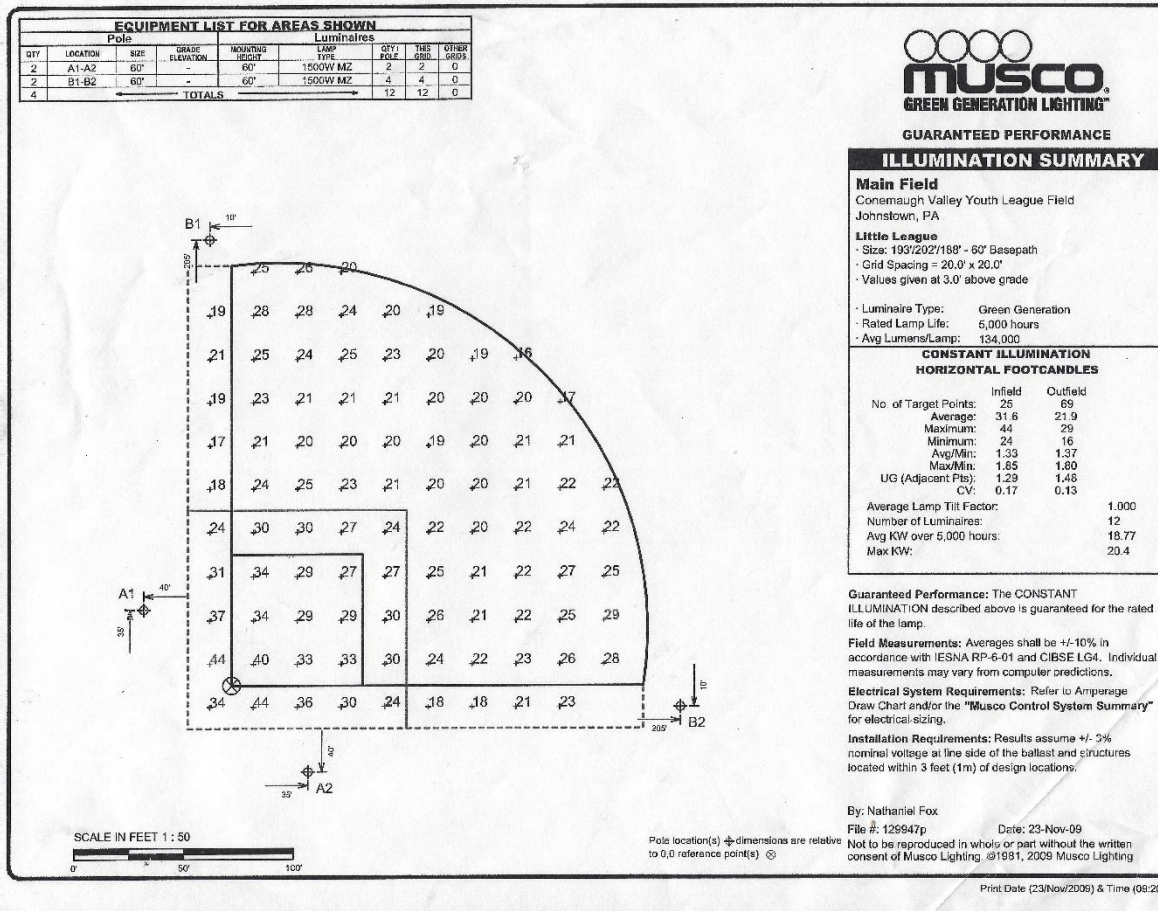

Rubber peg bases that give and break away with hard slide contact are used.

Field Lights

Installed in 2010, the stat-of-the-art Musco Light Structure Green provides bright daylight coverage. Light levels we tested and inspected during installation and carries a 20-year guarantee. Four ballpark stadium light poles consist of a concrete base and galvanized metal poles. All electrical wiring is underground and runs through the inside middle of the light poles. Each pole is grounded.

Field Management

Main Field

League season game limitation during the week consists of 5:30 and 7:30 time slots with a 10PM Curfew.

Weekend games on Saturday may start as early as 8AM and must be done by the 10PM curfew.

Sunday games start at 1PM and not exceed the 10PM curfew.

League practices can start at 5PM and must end by the 10PM curfew during the week.

Practices on the weekends can run from 8AM to the 10PM curfew.

Overflow Fields

Bon Air Field is a practice only field with scheduled timeslots.

Frankstown Road Field is a practice and rescheduled overflow game field with scheduled time slots.

CVHS Softball Field Is an emergency game field with permission to use.
